

I NEED TO DO
SOME RESEARCH

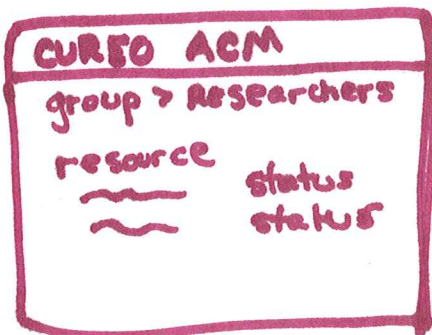

use public facing
metadata to
discover resources
of interest

request access

system fires off a notification
to owner of that resource

manager logs into access
manager; goes to special
group

LIBRARIAN
OR
ADMIN.

LIBRARIAN

ALLOW ACCESS

from [input field]

to [input field]

[Continue](#)

preview the resource
if approved provide a
range (optional)

LIBRARIAN

ACCESS HAS BEEN
granted to [wavy line]

use the following
URL and passphrase

http:// [wavy line]
pw [wavy line]

create special URL
and access key

FROM Librarian
TO Researcher

You have been given limited
access to resources in
Curcio. Use the link below
to get to full versions

[http:// \[wavy line\]](#)
with the password [wavy line]

send email to
researcher

researcher can now
see fuller view
of resource
