

Logging in via IU CAS

To login to Avalon, you currently must have an IU CAS account. If you don't already have one create one with the instructions below to get access.

1. Follow the instructions on the following page to request a guest account: <http://uits.iu.edu/page/alqu>
2. Use your guest account username (the full email address) and password to log into Avalon: <http://lancelot.dlib.indiana.edu:3000/>
3. When you log into Avalon, copy the eleven digit number that appears below the Search box along with a note to request access to Lancelot specifically. You can request cataloger and admin roles.
4. Add the eleven digit number into the body of the Contact Us form and choose "Request for access"
