Mobile Safari	iOS 10-11	iOS 9–11

Supported Platforms

Platform	Full Feature Support	Minimum Feature Support *
Windows	<ul style="list-style-type: none">• Windows 7• Windows 8, 8.1• Windows 10	<ul style="list-style-type: none">• Windows 7• Windows 8, 8.1• Windows 10
OSX	<ul style="list-style-type: none">• Mac OS X Mavericks (10.9)• Mac OS X Yosemite (10.10)• Mac OS X El Capitan (10.11)• macOS Sierra (10.12)• macOS High Sierra (10.13)	<ul style="list-style-type: none">• Mac OS X Mavericks (10.9)• Mac OS X Yosemite (10.10)• Mac OS X El Capitan (10.11)• macOS Sierra (10.12)• macOS High Sierra (10.13)
Android	Android 6.0–8.1	Android 6.0–8.1
iOS	iOS 10–11	iOS 9–11

* Minimum Feature Support

Users are able to play back media items and view metadata. Collection management features such as metadata editing, item uploading, and access controls may not function correctly. Some browsers may render the page with unusual formatting.
