

TEI Encoding of Administrative Material

Examples

- [Bloomington Faculty Council](#)
- [Board of Trustees](#)
- [Minutes of North Carolina Yearly Meeting of Friends](#), Documenting the American South, UNC-CH
- [United Farm Workers \(UFW\) Contracts](#), UC Davis Digital Initiatives Program (says it's TEI Lite, but I can't access the XML files (error), so I don't know much about it)

Similarities to Manuscript Encoding

Track changes - deletions, additions, etc.

Unique Requirements
