1. Manage Published Issues

The "**Back Issues**" tab consists of a single box that lists all of the issues you are currently planning. This box allows you to edit, preview, delete, see the number of items in an issue, and eventually publish the final version of your issue.

2. Table of Contents

The first tab is a list of your **Table of Contents** in the order it will appear on your journal's website. Note that no page numbers are listed here- ***you can only change page numbers through each article's individual Submission Dashboard.*** Click on the small arrow to the left of the submission's title, select "*Submission*" to access to an article's dashboard or "*Remove*" to remove an article from the issue. You can also reorder articles by clicking "*Order*" in the upper right corner and then dragging items to their desired locations.
