

Sign-Up for Research Topics

Contributions to the Digital Archive can be done singularly or collaboratively. We may very well want to work in both contexts. As you identify areas you wish to research (could be more than one), please add them to the table below. Indicate if any part of that research (e.g. collecting oral histories, mapping campus branches, etc.) is open for collaboration.

Research Topic(s)	Research Team Lead (TBD)	Notes	Research Team/Group
Herman B Wells the Building			<ul style="list-style-type: none"> Nicholas Homenda Jeff Graf Julie Hardesty
Herman B Wells the Person			<ul style="list-style-type: none"> Monique Threatt Jennifer Laherty Elinor Okada
