

Connect with Avalon

Email

Avalon's public contact address is avalon@dlib.indiana.edu. The contact form on our website (<http://www.avalonmediasystem.org/contact>) goes directly to this address.

Mailing Lists

Avalon Announcements

The primary mailing list for announcements about upcoming developments, new releases, meeting and other important milestones during the development of Avalon Media System.

avalon-l@list.indiana.edu ([Subscribe](#))

Avalon Discussion

The primary mailing list for discussion among those evaluating, piloting, or implementing Avalon. Discussion may be technical- or feature-oriented.

avalon-discuss-l@list.indiana.edu ([Subscribe](#))

Slack

Avalon's public Slack channel provides a forum for users, developers and system administrators to quickly and conveniently message with the Avalon team.

samvera.slack.com/messages/avalon/

Joining the Samvera Slack team requires an invitation, but anyone can generate an automatic invite to the Samvera slack channel using the following form: <http://bit.ly/2aDFtLO>.

For Developers

GitHub

github.com/avalonmediasystem/avalon

Peruse and download, fork or clone the Avalon code. You can also find many repositories within our [GitHub organization](#).

Community Groups

Avalon Round-Table

The [Avalon Round-Table](#) is a community group open to anyone from the Avalon community or beyond who are interested in talking with other Avalon users, potential users and the Avalon team.
