

VWWP Intro and Bio Log

Overview

Students and scholars are now providing biographical and critical introductions to texts that are part of the VWWP. The purpose of this log is to track which texts and which authors have introductions/bios in place and to track proper file naming since it's via the file name that the relationship between these documents are stipulated. More about this and how to encode the bios and intros [VWWP Critical Introductions and Bios Encoding Guidelines](#).

The original bio/intro submissions by L501 grad students are located in the Resources directory on Oncourse (<https://oncourse.iu.edu/portal/site/FA10-BL-ENG-L501-28051/>).
